WHAT'S OUT?

GLASS	
What's IN Place in Single Stream	What's OUT Place in Trash
Beverage and food bottles and jars	Dishes & Beverage glasses

WHAT'S NEW?

Did you know that YOUR trash and recyclables are trucked out of RRDD1 and spread on the floor of a receiving plant for review before processing? Recent inspections have shown the need for improvement in recycling, such as what is acceptable and what is not. RRDD1 will be conducting free recycling demonstrations and classes, as well as on site review. You may even go home with an "I got caught recycling" ribbon!

HOUSEHOLD HAZARDOUS WASTE (HHW) DAY

Sponsored by Northwest Hills Council of Governments

Paid for by RRDD1 & the other participating towns!
